AAPexperience.org
The American Academy of Pediatrics National Conference & Exhibition aims to develop, maintain, and improve the competence, skills, and professional performance of pediatricians and pediatric health care professionals. Join us in San Francisco to connect with colleagues, gain insight into the latest treatment strategies, and bring new ideas back to your practice and hospital. You will find innovation and expertise in one place, with hundreds of educational sessions in nearly 60 topic areas, the largest pediatric-focused exhibit hall, and incredible networking events. The National Conference has something for every pediatric health care provider, including hands-on workshops, guideline updates, and posters with the latest research.

We’ve lined up engaging content on trending topics that you won’t want to miss. Mark your calendar to connect with over 15,000 participants in San Francisco!

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this live activity for a maximum of 48.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Supported by the AAP Friends of Children Fund

Peds 21 will offer the opportunity to earn 10 points of Maintenance of Certification (MOC) Part 2 credit from the American Board of Pediatrics through the AAP MOC Portfolio Program, in addition to CME credit.

You must attend Peds 21 and complete an associated self-assessment to be eligible to claim 10 MOC Part 2 points.
The AAP National Conference offers sessions running concurrently throughout the meeting, covering a full range of pediatric topics.

Use the online AAP Conference Planner to:
- Search and review descriptions for all educational sessions and special events
- Build a customized itinerary
- Download session handouts
- Evaluate sessions
- Identify sessions with simultaneous Spanish/English interpretation

Explore San Francisco

San Francisco often is called “Everybody’s Favorite City,” a title earned by its scenic beauty, cultural attractions, diverse communities, and world-class cuisine. Measuring 49 square miles, this very walkable city is dotted with landmarks like the Golden Gate Bridge, cable cars, Alcatraz, and the largest Chinatown in the United States. A stroll of the city’s streets can lead from Union Square to North Beach to Fisherman’s Wharf, with intriguing neighborhoods to explore at every turn. Views of the Pacific Ocean and San Francisco Bay often are laced with fog, creating a romantic mood in this most European of American cities.

“San Francisco has only one drawback—’tis hard to leave.”
—Rudyard Kipling
