

AAP Conference Planner – Searching Sessions

There are multiple ways to search sessions using the AAP Conference Planner. You can browse sessions by sessions, speakers, or keyword search by selecting one of the options from the left navigation menu.

Searching by Sessions

Allows users to view sessions by full schedule, date, title, speakers, or session number.

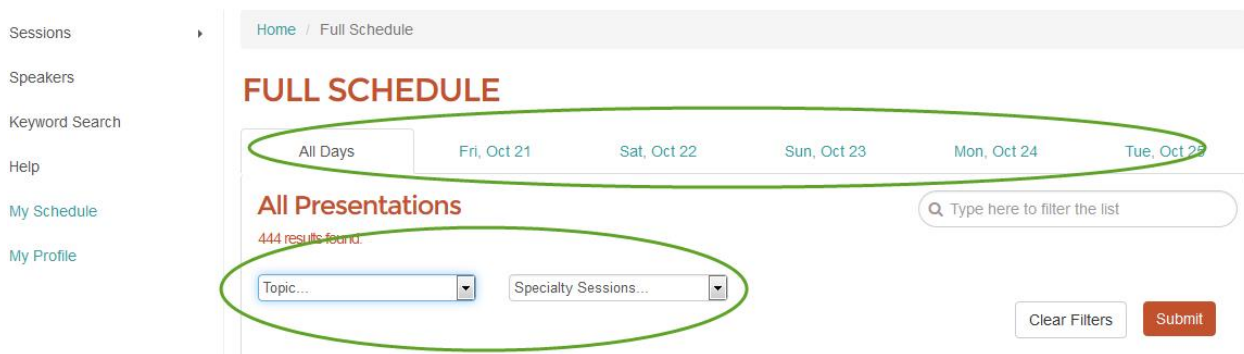

Full Schedule Search Feature

This feature allows users to see all sessions that are offered for the 2016 National Conference.

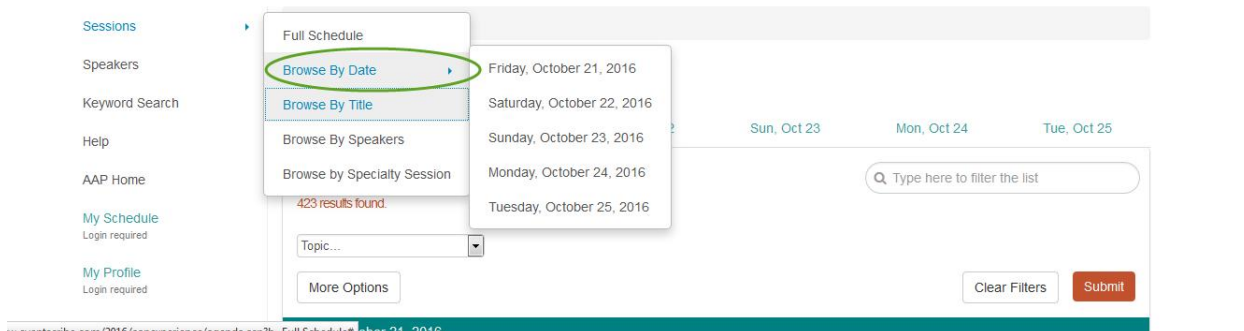

From the full schedule page, users can search by topic or specialty session using the drop down filters.

Users may also search by date by selecting the date across the top header from the full schedule page.

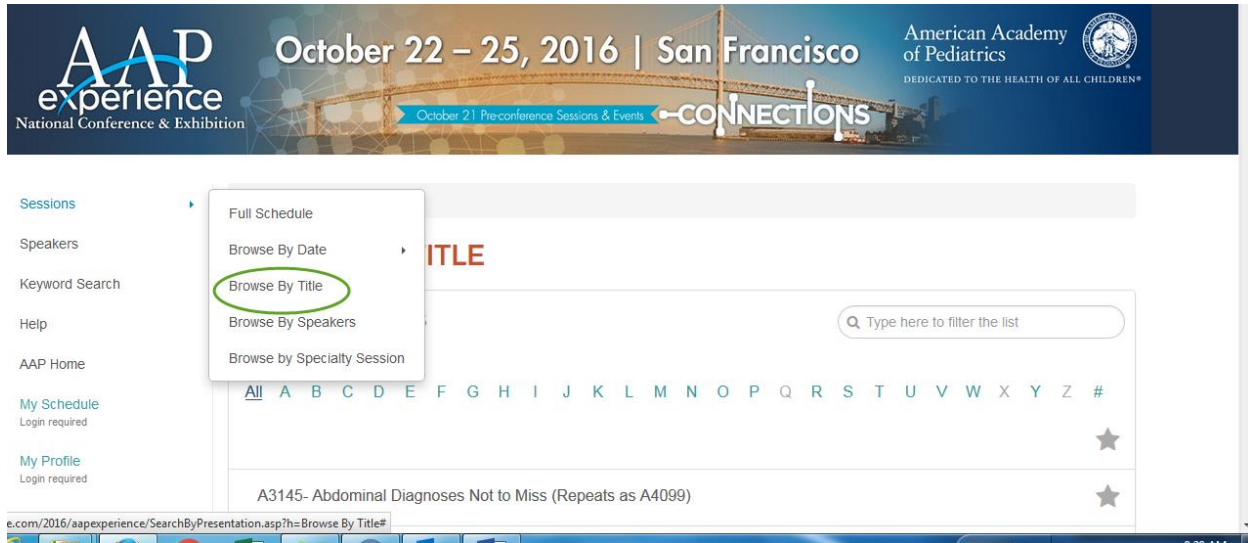

Browse by Date

This feature allows users to browse sessions by day.

Browse by Title

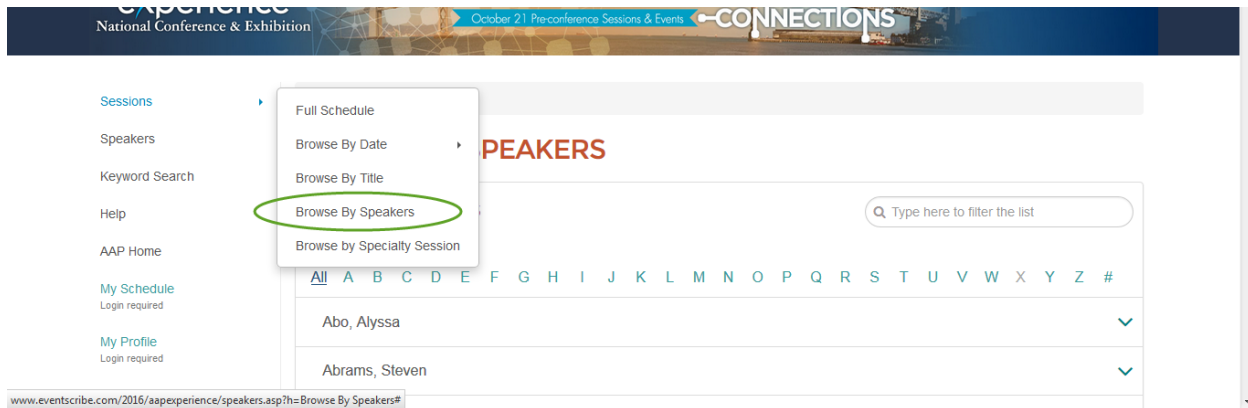

This feature allows users to view sessions by title in alphabetical order.

The screenshot shows the top navigation bar for the AAP Experience National Conference & Exhibition, October 22-25, 2016, in San Francisco. The American Academy of Pediatrics logo is on the right. A left sidebar contains navigation links: Sessions, Speakers, Keyword Search, Help, AAP Home, My Schedule (Login required), and My Profile (Login required). A dropdown menu is open over the 'Sessions' link, with 'Browse By Title' circled in green. The main content area is titled 'SESSIONS' and features a search bar with the placeholder 'Type here to filter the list' and an alphabetical index from 'All' to 'Z'. A session titled 'A3145- Abdominal Diagnoses Not to Miss (Repeats as A4099)' is visible at the bottom of the list.

Browse by Speaker

This feature allows users to view speakers in alphabetical order and the sessions they are presenting at.

The screenshot shows the same website interface as above, but with the 'Browse By Speakers' option in the dropdown menu circled in green. The main content area is titled 'SPEAKERS' and features the same search bar and alphabetical index. Two speakers are listed: 'Abo, Alyssa' and 'Abrams, Steven', each with a downward arrow icon to its right. The browser's address bar at the bottom shows the URL: www.eventscribe.com/2016/aapexperience/speakers.asp?h=Browse By Speakers#.

Browse by Session Number

The screenshot shows the top navigation bar for the AAP Experience National Conference & Exhibition, October 22-25, 2016, in San Francisco. The main navigation menu on the left includes: Sessions, Speakers, Keyword Search, Help, My Schedule, and My Profile. A dropdown menu is open under 'Sessions', with 'Browse By Session Number' circled in green. The main content area shows a search bar with the text 'SESSION NUMBER' and a search input field. Below the search bar, a list of sessions is visible, including 'A1043- Heart Murmurs (Repeats as A1156)' and 'A1044- ENT Potpourri: You Make the Diagnosis'.

Search by Speaker

This feature allows users to view speakers in alphabetical order.

The screenshot shows the 'Speakers' section of the AAP Experience website. The 'Speakers' menu item in the left navigation bar is circled in green. The main content area is titled 'SPEAKER BIOGRAPHIES' and displays 'All Speakers' with 453 results found. A search bar is present with the text 'Type here to filter the list'. Below the search bar, a navigation bar lists the alphabet from A to Z, followed by a '#' symbol. The first two speakers listed are 'Abo, Alyssa' and 'Abrams, Steven', each with a profile picture placeholder and a star icon.

By clicking on a speaker name you can view all the sessions the speaker is presenting at. From this page you can email or tweet about a speaker by selecting the icon from the top header.
