

A 2021 National Conference branded PowerPoint template is available for slide development. While this template is not required, presenting authors should ensure that final slide presentations include:

- Abstract title and speaker information
- Conflict of interest/disclosure (please ensure this matches your current disclosure)

All oral presentation slides are due September 24, 2021 and must be submitted through the [Abstract Portal](#). Please remember that animations and videos are not supported. Save PowerPoint slides as PDF files before uploading to the Abstract Portal to ensure fonts and formats are preserved.
