

VH1101 Joint Program: Section on Emergency Medicine and Section on Minority Health, Equity, and Inclusion: Day 1 Morning

Racism, Social Determinants of Health, and Emergency Medicine: Role of the Clinician

Friday, October 8

9:00AM – 12:00PM CDT

Child health disparities by race, ethnicity, gender identity, sexual orientation, religion, disability, and socioeconomic status is becoming a topic of increasing importance in emergency departments (EDs). Promoting equity recently has become a central tenet in health care. This program will highlight these disparities and give clinicians the tools to care for patients.

9:00AM	Introduction <i>Moderator: Ameer Hassoun, MD, FAAP</i>
9:05AM	Racism and the Impacts on Child Health <i>Tiffani Johnson, MD, MSc, FAAP</i>
