

## VH1256 Section on Pediatric Trainees Program

### Educational Program for Medical Students, Residents, and Fellowship Trainees

**Saturday, October 9**

**1:00PM – 5:00PM CDT**

This program is an opportunity for trainees to hear about activities of the Section on Pediatric Trainees (SOPT) and how to get involved. Attendees will hear from pediatric program directors about applying for residency and can network with AAP leadership and other trainees. The Anne E Dyson Child Advocacy Awards also will be presented.

*Trainee Registration Grants Supported by New York Life.*

*Trainee Registration Scholarships Supported by Abbott Nutrition and Rickett Mead Johnson, Proud Supporters of the American Academy of Pediatrics.*
