

VH1307 Section on Uniformed Services Program: Morning

Sunday, October 10

9:00AM – 12:00PM CDT

This program will highlight topics relevant to uniformed and civilian pediatricians caring for children connected to the military. Faculty will outline uniformed pediatricians' role in military readiness (stateside and deployed), the unique characteristics of navigating care for military children, and the emergence of virtual health technologies for connecting children who are geographically isolated.

9:00AM	Welcome and Overview <i>Moderator: COL Catherine Kimball-Eayrs, MD, FAAP</i>
9:15AM	Ogden Bruton Lectureship: Evolution of the Uniformed Pediatrician's Knowledge, Skills, and Attitudes <i>CAPT Gregory Gorman, MD, MHS</i>
10:00AM	Vaccine Hesitancy, Resistance, and Organization Programs in the MHS <i>COL (ret) Deena Sutter, MD, FAAP</i>
