

## **VH1371 Joint Program: Section on Bioethics and Section on Pediatric Trainees** **Ethical Challenges During Pediatric Training**

**Sunday, October 10**

**4:00PM – 6:00PM CDT**

Ethical cases from outpatient, inpatient, and intensive care situations will be discussed and analyzed in groups. Then an expert panel will debrief with an emphasis on developing strategies to approach ethical dilemmas that arise throughout pediatric training and future practice.
