

VH1372 Joint Program: Section on Breastfeeding and Section on Osteopathic Pediatricians

Sunday, October 10

4:00 PM – 6:00 PM CDT

This program will include presentations on breastfeeding hot topics, including oral motor mechanics, anti-breastfeeding campaigns in the media, COVID-19 and breastfeeding, and the National Perinatal COVID-19 Registry. Attendees will leave with practical strategies to help improve patient care and advocate for breastfeeding. All conference attendees are welcome to attend.

Co-sponsored by the Philadelphia College of Osteopathic Medicine. The Philadelphia College of Osteopathic Medicine is accredited by the American Osteopathic Association of medical education for physicians. The Philadelphia College of Osteopathic Medicine designates this program for a maximum of 2 hours of AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.
