

VH1452 Joint Program: Council on Foster Care, Adoption, and Kinship Care and Section on LGBT Health and Wellness

Monday, October 11

1:00PM – 3:00 PM CDT

Youths who identify as LGBTQ are overrepresented in foster care. This program will address medical and psychosocial aspects of care for gender expansive and transgender children in foster care. A member of the AAP State Advocacy team will lead a discussion on state bills threatening gender-affirming care.
