

## Sunday, October 27

8:00AM – 12:00PM

### H3023 Section on Critical Care Program: Day 1

Moving Forward: Top Papers and How to Get There With Practice Interview and Curriculum Vitae Review

Three researchers will present their recent highly influential papers and will discuss the methodology used as well as how to develop a career in clinical, translational, or database research. Attendees will have an opportunity to engage in mock job interviews or review their curriculum vitae with a senior faculty member.
