

Monday, October 28

1:00PM – 6:30PM

H4124 Section on LGBT Health and Wellness Program

This program will include discussions on health and social issues affecting LGBT patients and families. The short- and long-term impact of bullying will be reviewed, and eating disorders in sexual and gender minority youth will be examined. Increased recognition of nonbinary identities will be explored as well as the co-occurrence of autism and transgender identities.

Moderator: Mark Welles, MD, FAAP
