

## H2604 Section on Early Career Physicians Program

Early Career MythBusters: You CAN Have It All!

Saturday, October 3  
3:00PM – 5:00PM CDT

You've finished your training, now what? Hear from other early career physicians on how they successfully started their own practice. Learn coaching skills that can help you work effectively with others. And join us as some of our members discuss how they've sought work-life balance.
