

H2611 Council on Quality Improvement and Patient Safety Program Utilizing Quality Improvement to Drive Health Equity in Pediatrics

Saturday, October 3
3:00PM – 7:00PM CDT

This program will highlight innovative quality improvement and patient safety research and projects, and offer a chance to network with experts and colleagues. Attendees will leave with practical strategies to help improve patient care, with an emphasis on using quality improvement to drive health equity and reduce disparities in pediatrics.
