

H2614 Section on Osteopathic Pediatricians Program

Osteopathic Graduate Medical Education in the Era of Single Accreditation

Saturday, October 3
5:00PM – 7:00PM CDT

This program will focus on osteopathic graduate medical education following implementation of the Accreditation Council for Graduate Medical Education's single accreditation. On-demand presentation topics include osteopathic scholarly activity, teaching osteopathic manipulative therapy (OMT) to allopathic and osteopathic residents, resident wellness, and billing and coding for OMT and resident/student preceptors.

This program is approved for 8 AOA 1-A CME credits per the Philadelphia College of Osteopathic Medicine.
