

## H3800 Section on Senior Members Program

Off the Shelf, off the Radar, off the Charts: What Pediatricians Can Do to Screen for E-Cigarettes, Suicide, and Drownings

Sunday, October 4

3:00PM – 6:00PM CDT

Pediatricians can play a critical role in early identification and referral of children at risk. This program will review techniques to screen teens for use of vaping products and other devices, and strategies to prevent injury and death in children. The program will conclude with the section's business meeting.
