

H4402 Council on Children and Disasters Program

Advances in Pediatric Preparedness

Monday, October 5
1:00PM – 3:30PM CDT

This inaugural program will address advances in pediatric preparedness. Experts will discuss recent outbreaks and disasters, offer connections to pediatric disaster care centers of excellence, and help members build careers in disaster medicine. Attendees will meet council executive committee members, network with colleagues, and learn about AAP initiatives and best practices.
