

## L2200 Peds 21: Fighting Racism to Advance Child Health Equity: A Call to Action

Saturday, October 3, 2020  
12:00PM – 3:00PM CDT

This session equips pediatricians to advance child health equity by applying an anti-racist lens to the systems shaping health and medicine. Pediatricians will learn how to address implicit biases, create inclusive workplaces, and relate with cultural humility. Attendees will also learn how to take practical action to fight racism.
