

## Educational Resources for Developing CME/CPD Content

To help support the development of the **Best Pediatric CME/CPD for the Best Pediatric Care**, the AAP Committee on CME (COCME) has developed a [website](#) that includes resources for faculty/authors and educational planners as they develop and deliver CME/CPD activities.

Listed below are some resources to assist in developing presentations and other educational content.

### Best Practices Guide to Teaching and Learning

On the [Best Practices page](#), click on the format that you are creating and on each category below [“**Setting the stage**,” ways of “**Keeping them engaged**,” and ways for “**Inspiring practice change**”] for suggestions to incorporate in your content.

### Adult Learning Principles and Educational Resources
